

The Leadership Studio® Develops NCSBN Executive Coaching Service

June 2010

Catherine Robinson-Walker, MBA, Master Certified Coach, and President of The Leadership Studio®, has been asked by the National Council of State Boards of Nursing (NCSBN) to develop and provide an Executive Coaching Service for the Executive Officers of the State Boards of Nursing. NCSBN will offer executive coaching to Executive Officers to support the Officers and to deepen leadership capacity within the National Council.

Ms. Robinson-Walker and the Leadership Studio team of six seasoned executive coaches will offer coaching that focuses on the individual needs of the Executive Officers while addressing the leadership competencies that NCSBN has identified to promote leadership succession and successful stewardship of NCSBN.

The NCSBN Board of Directors approved the project at its May 2010, meeting. The Executive Coaching Service will be launched at the August 2010, meeting of the Executive Officers in Portland, OR. Executive coaching will begin in September 2010, and conclude in December 2011.
